## Project News - Update

**Calibre Metals Pty Ltd**

**Lithium-Ion Battery Recycling Facility**

### **Environmental Impact Statement (EIS) on Exhibition**

The Environmental Impact Statement (EIS) prepared by GHD, on behalf of Calibre Metals, to support a State Significant Development Application for the Wagga Wagga Lithium Battery Recycling Facility is on public exhibition from Wednesday 16<sup>th</sup> April until Tuesday 15<sup>th</sup> May.

The key purpose of the EIS is to assess the environmental, social and economic impacts of the project and help the community and government agencies make informed comments and decisions. The EIS also assesses cumulative impacts and propose suitable measures to mitigate potential impacts.

During exhibition period you have the time to review the EIS and share your feedback with us.

For more information on the proposed facility and to view a copy of the EIS Report, please visit the Department of Planning, Housing, and Infrastructure's Major Projects portal though the QR code below:

Calibre Metals is committed to cultivating community partnerships and positively impacting the communities in which we operate. If you have any questions or would like to discuss the project further, please contact GHD Community Engagement Team at 1800 810 680 or [community.input@ghd.com](mailto:community.input@ghd.com)
