

Wagga Wagga Lithium-Ion Battery Recycling Facility
Calibre Metals Community Consultation Sessions

Date:	Friday 22 May 2026	Time:	5:00pm - 6:30pm
	Saturday 23 May 2026		10:00am – 11:30am
Address:	Regent room Mercure Hotel 1 Morgan Street, Wagga Wagga NSW 2650		

Event Invitation

Calibre Metals Pty Ltd (Calibre) would like to invite you to attend a community information session to be held across two dates and times for your convenience:

Friday 23 May 5pm – 6:30pm; or

Saturday 23 May 10am – 11:30am.

Both sessions will be held in the Regent room at the Mercure Hotel, Wagga Wagga.

Representatives from Calibre Metals will be onsite to answer questions and share the latest updates for the proposed facility. Attendees will have the opportunity to view drawings, key Project information and ask questions about the project.

Invitations have been sent to the residential community who reside in the closest residential area to the facility.

About the Project

Calibre is seeking to contribute to the circular economy through the safe disposal and recycling of lithium-ion batteries. Calibre has plans to develop a lithium-ion battery recycling facility in an existing warehouse in the industrial area of Edison Road, Wagga Wagga. Calibre is working with all relevant regulatory bodies to seek approval for a State Significant Development application and Environmental Protection Authority Licence to construct and operate the facility.
